

**Contact Information
For School Social Work Internships
2007-2008 public school year**

In using this list, the preferred method of contact is to email or fax cover letters and resumes to the contact person. Occasionally, when there is more than one option, an asterisk will designate the contact person. If the designated person is an administrator, they may be listed in the District box. School social workers are very busy during school hours, so it is best to call after students are dismissed for the day. While we have done our best to keep this list up-to-date, information for some of the schools that are further away from the metropolitan area may not be current. Help us to keep the list current by emailing any changes you find to { HYPERLINK "mailto:wilsonrj@slu.edu" }. Many of the districts now have websites which you can access if not listed here, at { HYPERLINK "http://www.isbe.net" } for Illinois districts and { HYPERLINK "http://www.dese.mo.gov/" } for Missouri districts.
